Neighborhood Map (React)

REVIEW

CODE REVIEW 7

HISTORY

▶ src/App.js 3

▶ src/List.js 1

▼ src/index.js 1

```
1 import React from 'react';
2 import ReactDOM from 'react-dom';
3 import './index.css';
4 import App from './App';
5 import registerServiceWorker from './registerServiceWorker';
6
7 ReactDOM.render(<App></App>, document.getElementById('root'));
8 registerServiceWorker();
9
```

SUGGESTION

Great work adding the service worker 💪

But I suggest you write in your readme how to run this application in production mode.
Have a look at the review for more info about that.

▶ src/Places.js 1

▶ README.md 1

▶ src/registerServiceWorker.js

▶ src/index.css

▶ public/index.html
